County Schools Open New Session Today

The schools were running again this morning, and pupils and teachers were back in business at the same old stands, as Appomattox County public schools swung into the first hours of the 1958-59 school session. School grounds showed activity shortly after 8:00 A. M., as early arrivals came to have a look at the set-up for the new session, to greet classmates, talk about what happened during the vacation, to see new pupils and the few new teachers as they arrived.

It was a pleasant and normal resumption of school activities, and a welcome occasion for the community as Appomattox citizens were delighted to welcome the school openening as a traditional sign of renewed and stepped-up fall life.

Busy, but ready for the first day, was the A. H. S. cafeteria, managed by Mrs. A. A. Babcock. Mrs. Babcock served the teachers and school officials on Tuesday and Wednesday of this week, as they met for pre-school indoctrination and instructions.

Mrs. Babcock stated that the only change in cafeteria prices this year over last, was a jump of from 10c to 20c for a hamuburger. Plate lunch, served with Grade A milk, are only 35 cents.

Assisting Mrs. Babcock at the A. H. S. cafeteria will be Mrs. L. C. MacKenzie, Mrs. Paul Cawthorn, Mrs. Thomas Richardson, Mrs. Gladys Lovell and Mrs. L. E. Conner.

The Elementary School Cafeteria opens today, with Mrs. S. A. Lawson returning as manager. Mrs. Lawson stated that prices had not been changed from last year and that a plate lunch, with milk, was served for only 25 cents. Those helping Mrs. Lawson are Mrs. Zada Bryant, Mrs. Lenell Inge, Mrs. Annie Harvey, Mrs. Jason Morris, and Mrs. R. B. Boney. The service rendered by the school cafeterias is one of the most important in the school set-up, and the community should be proud of their high standards.

A. H. S. is opening today with one faculty vacancy, temporarily filled by a substitute. The school officials have done an outstanding job in filling vacancies. The last vacancy filled was supplied this week by the employment of Mr. William C. Butler, to be instructor in 9th grade English.

A. H. S. has a new principal this session, Mr. Oldson Grantland Rush. An experienced school executive, he comes to Appomattox to succeed Mr. Kenneth W. Christopher.

One group of high school students has been around the campus early this session. This is Coach Gordon Bragg's candidates for the 1958 A. H. S. football team. They have been practicing a week, getting set for an opening game two weeks away. A. H. S. went undefeated last year, right up to the final game, against Group I Danville, and then lost by one tally. Bragg hopes to come up with another top team this year.

Today's activities, at all of the county schools will feature enrollment procedures, checking of schedules, a look at book issues and assignments and the customary preliminaries involved in getting off to a fine start on an 180-day school session.

Tobacco Vote On Sept. 11

Appomattox County fire-cured and sun-cured tobacco growers will be given a chance on Friday, September 12, to accept or reject a plan to combine for any one farm having both kinds the fire-cured and sun-cured acreage allotments which have been established for 1958 and to have only a single allotment for either of these kinds of tobacco in subsequent years. A two-thirds majority of the growers voting in the referendum is required for the plan to go into effect.

The referendum will be conducted by the Agricultural Stabilization and Conservation Committee, Floyd Fleshman, ASC County Chairman, stated.

The referendum is called for by special legislation recently enacted and affects only Virginia growers of fire-cured (Type 21) allotment and sun-cured (Type 37) tobacco. A ballot to be used in the referendum containing the question, "Do you favor combining the fire-cured (Type 21) allotment and sun-cured (Type 37) allotment on any farm having both of these kinds of allotments into one allotment of either of such kinds of tobacco, whichever the farm owner or his representative chooses?" Space is provided for checking "yes" or "no."

Mr. Fleshman stated that a farmer is eligible to vote in the referendum if he was engaged in the production of either fire - cured tobacco or sun-cured tobacco in 1957. In fact, any farmer is eligible to vote if he had a 1957 fire-cured or sun-cured tobacco allotment. Many individual allotments were placed in the Soil Bank; nevertheless such producers are eligible to vote.

Any county farmers who will be affected directly, if the plan to combine allotments is approved, are those farmers who have both fire-cured and sun-cured allotments on the same farm. They will have to decide which kind of a combined allotment they want — fire-cured or sun-cured.

The hours and polling places for this referendum are:

Clover Hill District
Old Court House, 8:00 A. M. until 1:00 P. M. Store at Hixburg, 1:00 P. M. until 7:0 0P. M.

Southside District
Chap Voting Precinct, 8:00 A. M., until 1:00 P. M. ASC Office at Appomattox, 1:00 P. M. until 7:00 P. M.

Stonewall District
Herndon's Store, 8:00 A. M. until 1:00 P. M. Martin's Store, Oakville, 1:00 P. M. until 7:00 P. M.

A meeting of all fire-cured and sun-cured growers is being held at Appomattox Court House Monday, Sept. 8, at 8:00 P. M. At this time the facts involved in combining of the two kinds of allotments will be explained. All fire-cured and sun-cured growers are urged to attend this meeting.

Rocket To Stop Missile

Los Angeles.- A new rocket will be able to destroy any approaching ballistic missile, says an Army general.

Lt. Gen. Arthur C. Trudeau, chief of the Army's Research and Development section, said the new rocket will be the Nike-Zeus with a speed ten times greater than any of today's aircraft.

ABBITT REVIEWS RECENT SESSION

Representative W. M. Abbitt (D-Va.) speaking to the Petersburg Kiwanis Club Tuesday stated that the session of the 85th Congress just ended resulted in a spending spree. The economy drive which was so forceful in 1957 went down the drain. We had a run away budget. Sputnik, which was launched by the Russians in the fall of 1957, and the recession this spring killed all hope of a balanced budget. The leaders of both parties apparently were in an all out race to see which one could come up with the wildest schemes for spending the taxpayers' money. Many carry-over programs were enlarged upon and expanded and new ones were started."

Abbitt pointed out, however, that in the closing days of the session, the House was able, through a coalition of the conservative members of both parties, to kill some of the proposals such as the community facilities bill which would have cost the taxpayers billions of dollars.

The Fourth District Representative stated that if we are to maintain economic stability in this country, "it is going to be necessary for the American people to awaken to the realization that there is no such thing as something for nothing and that we can only get funds from Washington after it has first been extracted from the taxpayers back home."

"The Communistic Russians," Abbitt said, "have long predicted that the United States of America would break down from within. Unless a sharp reversal of the present trends takes place in the immediate future, I am fearful that the Communists' prediction will come true. The only hope is for the people back home to stop calling for giveaway, Santa Claus programs."

Abbitt further pointed out that "there are programs in which the government must take the lead but this must be confined to those programs where it is absolutely necessary for the Federal Government to lend its aid and assistance."

LEGION AUXILIARY SCHEDULES MEETING MONDAY NIGHT

The American Legion Auxiliary, Appomattox Unit 104, will meet on Monday, Sept. 8, at 8:00 P. M., in the home of Mrs. C. T. Moses, Jr. All members are urged to be present and prospective new members are cordially invited to attend this meeting and join the unit if they so desire. Membership is limited to mothers, wives, daughters and sisters of men who served their country in World War I, World War II, the Korean Conflict, and are now (or plan to be) members of the American Legion; or family members of deceased members of the armed forces; or anyone who herself has been a member in the service of her country.

This year the local unit is under the leadership of Mrs. C. T. Moses, Jr., pres.; Mrs. Ed Dickerson, vice-pres.; Mrs. Clifford Harvey 2nd vice-pres.; Mrs. T. Hunter Dickerson, secretary; Mrs. Emile Bruce treasurer; Mrs. Ivey Hollandsworth, and Mrs. Aubrey Dose, chaplain.

The Appomattox Activity Calendars, a project of the Auxiliary, is now on sale.

Gives Away Savings

Philadelphia.- It turns out that Sgt. Peter J. Maida should have told his wife about the 1957 telephone directory. She quite properly turned it over to the telephone company employee when he came to the house with the new directory.

A few minutes later, bills in denominations of $10, $20, $50 and $100 fluttered along the sidewalk. $315 was accounted for when the sergeant came home and told his wife that he kept his $800 savings in the old telephone book.

Seadragon Ready

Portsmouth, N. H.- The Seadragon, America's fourth atomic submarine of the Skate class, was launched recently.

The Seadragon, expected to be commissioned in the winter of 1959, will be equipped for launching guided missiles. Its commanding officer will be Lt. Comdr. George P. Steel III.

New Social Security Rules Are Explained By Dinwiddie

The Social Security Amendments of 1958 will provide increased monthly payments to about 16,000 people in the Lynchburg area, beginning with the checks which are due early in February 1959, according to James W. Dinwiddie, social security district manager in Lynchburg. The amount of the increase will be about 7 per cent, although the increase in some checks will be slightly more than 7 per cent and it will be slightly less than 7 per cent in some others.

People who are already getting social security payments do not need to apply for the increase. It will be atuomatically added to the checks for January, which will be mailed out early in February.

Under other changes made by the new law, social security benefits will become payable to a number of people not previously eligible for payments. They must, however, apply to their social security offices before payments can start. Among the groups now eligible because of the amendments are:

—Dependents of people who are 50 or over who are now getting disability insurance benefits (children under 18 or disabled); a wife of any age who has a child in her care who is entitled to benefits; a wife 62 or over; or a dependent husband 65 or over).

—Disabled people 50 or over who could not qualify for benefits under the old law because they did not have as much as 1½ years of work in the 3 years before they were disabled. (A total of at least 5 years of work under the law is still required).

—Dependent parents whose son or daughter died after 1939 and who could not qualify for benefits under the old law because the son or daughter left a widow, widower, or child.

—Adopted children whose adopting parents began receiving retirement benefits less than 3 years after the adoption. (In many cases this provision will also make possible payments to the mother of the adopted child).

—A person receiving benefits who married another person also receiving benefits can continue to receive monthly checks, or can become eligible as a dependent of the new husband or wife without waiting 3 years.

Some people in situations similar to those mentioned above may have applied for benefits in the past and been notified that they did not qualify for payments. These people should get in touch with their social security district offices promptly about filing new applications, Mr. Dinwiddie noted.

Disabled workers whose social security disability benefits were reduced or were not payable because they received workmen's compensation or other Fdreal disability payments will begin to receive the full amount of their social security disability payments. (These people do not have to file applications. Their social security checks will be started automatically with checks mailed out early in September).

Under the amendments it is easier for certain employees of non-profit organizations and State and local governments to be brought under the law.

There is a slight change in the rules on how much a social security beneficiary may earn and still get social security benefit payments. Under a new provision a person's social security benefit will not be withheld for any month in which he neither worked in his own business nor earned over $100 in wages.

Beginning January 1, 1959, the social security tax rate for employees and employers will be 2½ per cent each. The rate for self-employed people will be 3 3/4 per cent. These rates are scheduled to increase every 3 years until they reach 4½ per cent for employees and employers and 6 3/4 per cent for self-employed people in 1969.

Starting with 1959 the first $4,800 of earnings in a year will be taxed for social security and will count toward social security benefits.

A representative of the Social Security Administration may be contacted at Appomattox in the Court House on the fourth Monday of each month, 10:00 A. M.

Mr. Dinwiddie emphasized that it is not necessary for people already receiving monthly payments to apply for the automatic increase. It will be added to the January checks, which will be delivered early in February.

"Inquiries about the automatic increase will slow down our effort to start payments promptly to the people who can now get payments for the first time," he said.

MINISTERIAL ASSOCIATION WILL MEET SEPT. 10

The Ministerial Association of Appomattox County will meet Wednesday, Sept. 10, at 4:30 P. M., downstairs auditorium of Liberty Baptist Church.

Guest speaker will be Pastor L. Stuart McElroy, of Richmond, who is the South Atlantic District Secretary of American Bible Society. All ministers are welcomed.

Initial Meeting Woman's Club

The initial meeting of The Woman's Club of Appomattox for the 1958-59 Club Year will be held Monday, Sept. 8, at the home of Mrs. W. C. Holderman, near Gladstone. Officers of the club will serve as cohostesses with Mrs. Holderman, at an informal dinner to be served outdoors, with members bringing a dish of their choice.

Mrs. Martin L. Webb, president, suggested that the members meet at the Appomattox Elementary School at 4:00 o'clock in the afternoon and travel in groups from there, or meet at Mrs. Holderman's around 4:30.

Members may bring guests or prospective members.

Few New Rules On School Buses

Richmond, Va.- With the opening of schools this month, Dr. Davis Y. Paschall Superintendent of Public Instruction and member of the Governor's Highway Safety Committee, noted that 265 young people from kindergarten through high school died in Virginia traffic during the calendar year of 1957 and that 7,198 more suffered injury.

"Of course," all of these did not become casualties through direct association with school activities," Dr. Paschall said, "but it is vital that motorists make every concession to the immaturity and impulsiveness of pupils by exercising scrupulous care during the times pupils will be traveling to and from schools and during recess periods."

In this connection, Dr. Paschall called attention to two changes in laws controlling traffic which affect pupils and which became effective June 26, 1958. The first requires a full stop when approaching a halted school bus from any direction while it is loading or unloading passengers and that the motorist remain stopped until the bus is again in motion and children are clear of the road. Formerly, a similar stop was only required when a motorist was approaching from directly ahead or behind. This law, he noted, will largely affect intersection approaches.

The second law raises the speed limit alongside county school properties from 15 to 25 mph. However, standardized portable signs or blinker lights will be placed by the school authorities when schools are opening or closing and when presence of pupils on school properties might reasonably require them.

NEW BOOK IN THE COUNTY LIBRARY

Centenary at Jalna

By Mazo de la Roche.

In her new novel, Mazo de la Roche carries the famous Whiteoak saga into the mid 1950's and to that summer day when the boisterous and fiercely loyal family gathered to celebrate the one hundredth anniversary of the old house—Jalna.

Here are the fascinating and familiar figures of that wilful family, the Whiteoaks. Once again, with brilliant power of characterization, Mazo de la Roche transports the reader into the strange of this turbulent clan.
